**Note: Please involve the students in the activity while making it, as beautification of the activity is not as important as the involvement of kids is more important for us.**

**Objective - To develop their motor skills, playful learning and know to reuse the waste material.**

**A THIRSTY CROW**

- It was a hot summer day. The crow was very thirsty.
- It flew away here and there searching for water.
- It saw a pot with little water.
- The crow sat on the pot.
- It could not reach to the water.
- It thought an idea, and looked around, saw some pebbles.
- He picked up pebbles one by one and dropped them in to the pot.
- The water came up , the crow drank water and flew away happily.

Moral of the story.- Where there is a will, there is a way.

Never give up in your life.
